FINDING SUBJECTS AND PREDICATES

A. Read each sentence and underline the subject. Think of another subject that would make sense and rewrite the sentence, replacing the subject with yours.

Example: The house was built on a hill.
 The *building* was built on a hill.

1. Horseheads Middle School is an awesome school.

2. Some teachers give homework every day.

3. In the cafeteria, you can get a delicious cookie.

4. Mr. Donovan gives us candy sometimes.

5. English rocks!

B. Read each sentence and *circle* the predicate. Think of another predicate that would make sense and rewrite the sentence, replacing the predicate with yours.

1. Mr. Williams teaches science.

2. Science gives us an understanding of our world.

3. Eighth grade students study a foreign language.

4. They can choose between French, German, and Spanish.

5. We sometimes work in cooperative groups in class.
